

Appendix E

Student handout: Assessment - Exit card

In this lesson, we learned about different examples of civic engagement and created criteria for effective civic action. Complete the exit card below to demonstrate your learning.

How civically engaged are you? Reflecting on your survey results and learning in this lesson, are you satisfied with your level of civic engagement? Why or why not?

- Include the ways you already engage in civic action in your response and, if applicable, ways you could become more engaged
