

# Appendix D

## Consolidation questions

These questions strips can be cut up and handed to partners or groups. Recall, there are additional questions you may use, which are listed under the Post-Election Discussion Activity section.

1. What did you think about the mock election process? What parts were easy or difficult? What could be better?
2. What helped you decide how to vote? Did you already have an opinion on the topic? Did a candidate's presentation change your opinion?
3. After the activity, do you feel more comfortable voting? Why or why not?
4. How does voting help shape a community? What other ways can you participate in your community?

1. What did you think about the mock election process? What parts were easy or difficult? What could be better?
